## One Hour Virtual Fleet and Driver Risk Management Training Courses

RMP have developed a programme of one-hour on-line training courses on various subjects related to fleet and driver risk management. By doing so, we can dynamically address important subjects and support our clients in a challenging and changing world. We are no longer reliant on classroom environments and can utilise our technology to bring this training directly to your employees' homes and offices.

### Programme and Dates

The programme is split into two streams. Stream One has been developed for professional drivers and those who may drive on organisational business. Stream Two has been developed for supervisors and managers of professional drivers and those who may drive on organisational business.
