One Hour Virtual Fleet Manager and Driver Risk Management Training Courses

RMP Risk Control present our fourth programme of one-hour on-line training courses on various subjects related to fleet and driver risk management. Delivering through these short sessions, we can dynamically address important subjects and support our clients in a challenging and changing world. We are no longer reliant on classroom environments and can utilise our technology to bring this training directly to your employees' homes and offices.

Programme 4 - Topics and Dates

The programme is split into two streams. One has been developed for professional drivers and those who may drive on organisational business. The other has been developed for supervisors and managers of professional drivers and those who may drive on organisational business.
