One Hour Virtual Casualty Risk Management Training Courses

RMP Risk Control present our fourth programme of one-hour on-line training courses on various subjects related to the management of Employers' Liability (EL) and Public Liability (PL) risk management. Delivering through these short sessions, we can dynamically address important subjects and support our clients in a challenging and changing world. We are no longer reliant on classroom environments and can utilise our technology to bring this training directly to your employees' homes and offices.
