IOSH Managing Safely® Refresher Virtual Courses

In partnership with

IOSH Approved Open Training Made Easy

The Managing Safely Refresher is an opportunity to refresh the key parts of Managing Safely® through an engaging and practical one day course. Available for delegates who have qualified from the IOSH Managing Safely course within the last three years.

Objectives

This course will provide delegates with a refreshed & extended understanding of what managers, supervisors and Team Leaders etc need to do to discharge their health and safety responsibilities for others in the workplace and will include:

- Reflecting on the reasons for Managing Safely and the key health and safety terminology
- Leadership, its essential principles and how to develop an effective safety culture
- The phases of an effective safety and health management system including:
 - Planning – policy objectives, legal standards, where to find help & guidance
 - Do – implement risk management processes to control the risks
 - Check – to measure performance against your indicators
 - Act – to achieve continual improvement

Who Should Attend

This course is available for delegates with a valid IOSH Managing Safely qualification (less than three years old).

Location

Your desk (via WebEx platform).
